

SUMMER TOURS 2020

Trekking to Camel Mountain. Trip to the Pacific Ocean Coast, 1 day

On Fridays and Mondays (groups). Other dates on request.

Day 1 – Transfer to the Avachinskiy volcano foothill.

Transfer to the foothill of the Avachinskiy volcano by an all-terrain vehicle (about 2 hours). Arrival at the base camp, rest and safety instructions before trekking, trekking to the Camel mountain, lunch at the base camp. After the trekking you will have lunch at the base camp. Then we'll take you to the Pacific coast where you'll have a walk along the black sandy beach of volcanic origin.

The tour starts from the "Kamchatintour" base camp which is situated at 890 m above sea level. The distance between PKC and the base camp is about 50 km. **The Avachinskiy volcano** (2751 m) is one of the most active volcanoes in Kamchatka. It is often called "home volcano" among Kamchatka's people. Its crater is filled with hardened lava above which you can see rising clouds of fumaroles. **The Camel mountain** is situated between two volcanoes, Koryakskiy and Avachinskiy. The height is about 1200 meters. The trekking to the mountain takes about 3 hours and is not very difficult. From the top of the mountain you can see beautiful views of the Avachinskaya bay and the surroundings of Petropavlovsk and Elizovo, the Avacha river and Nalychevo valley. **The Khalaktyrskiy beach** is a popular place among the citizens of Petropavlovsk. The long coastal line is covered with volcanic sand and in summer is full of blossoming flowers and bushes.
