

WINTER TOURS 2020

Helicopter flight over South volcanoes

Any dates on gathering a group

Day 1 – Helicopter flight over South volcanoes.

Meeting point (to be fixed 1 day before the departure)

Transfer to helicopter pad.

Departure by helicopter approx. at 10:00.

Flight over Mutnovskiy and Goreliy volcanoes, landing at the Ksudach volcano caldera, excursion, flight to Khodutka hot springs, boxed lunch, bathe in hot springs. Return to the city.

Attention: the time of the departure and arrival depend on the weather conditions.

Kamchatka is known all over the world as the “land of volcanoes”: there are more than 300 of them here. This route will give you a bird’s eye view of the unique beauty of Mutnovskiy volcano crater and acidic lakes of Goreliy volcano.

The excursion around the caldera of the ancient Ksudach volcano includes viewing of the unique Shtubelya lake.

Khodutka hot springs give participants a chance to both see a real thermal river, while enjoying great views of Khodutka and Priyomysh volcanoes and rest and relax after and exciting excursion.

Price 30 000 rubles per pax. Minimal group 18 pax.
